**RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE**  
**AND AMENDMENT TO SPECIFICATION**

In response to the Notification of Defective response dated August 7, 2007,

Applicant is resubmitting:

- a) a paper copy of the Sequence Listing previously filed on October 16, 2006,
- b) a computer readable form of the Sequence Listing, which was also filed on  
October 16, 2006,
- c) a copy of the Comments Regarding Submission in Accordance with  
37 C.F.R. §§ 1.821-1.825, also previously filed on October 16, 2006, and
- d) a copy of the Statement to Support Filing and Submission of Sequence  
Listing, also filed on October 16, 2006.

Upon receipt of the Notification, the undersigned spoke via telephone with  
Examiner Vonda Wallace, who indicated that the computer readable form of the

Sequence Listing for this application could not be located within the Patent and Trademark Office. Examiner Wallace indicated that in order to respond to the instant notification, Applicant needed to resubmit the Sequence Listing and related documents Applicant had previously filed on October 16, 2006. Applicant is hereby complying with such request by enclosing the aforementioned documents.

Because this Response is being filed electronically via EFS, Applicant is not submitting a copy of the Notification. If there is any fee due in connection with this filing, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

**COMMENTS REGARDING SUBMISSION**  
**IN ACCORDANCE WITH 37 C.F.R. § § 1.821-1.825**

Applicant is submitting concurrently with these Comments a paper copy and a computer readable form of a Sequence Listing as required under 37 C.F.R. § 1.821(c).

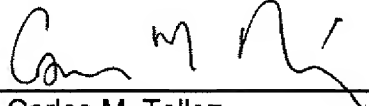

The Office's Notification of Missing Requirements indicated that the Sequence Listing for this application had been submitted but that it did not comply with the requirements of 37 C.F.R. § § 1.821-1.825. However, no Sequence Listing had been previously submitted in this application before today and the Sequence Listing that the Office attached to the Notification of Missing Requirements mailed on August 16, 2006, corresponded to Application No. 10/555,383, which is different from the instant application (10/555,583).

If there is any fee due in connection with this filing, please charge the fee to our Deposit Account No. 06-0916.
